Tableware - Christmas

Welcome to the New Chehoma Collection,  
Where Character Meets Creativity!

We're excited to unveil the latest chapter of the Chehoma adventure!  
This new catalog is packed with fresh designs, bold ideas,  
and signature pieces that celebrate everything you love about our brand:  
charm, personality, and timeless style with a twist.

As we grow, we stay true to what makes Chehoma unique. Many of our creations  
embrace a vintage, flea-market spirit, meaning that subtle variations, patinas,  
and tiny imperfections are part of the design. These details bring authenticity  
to each piece and make them feel truly one-of-a-kind.

Two years after strengthening our presence in the United States, we continue to ship  
quickly and reliably from our New Jersey warehouse, backed by a Los Angeles team  
dedicated to making your experience smooth, easy, and personal.

So, dive into this new collection, explore the pieces that spark joy,  
inspire creativity, and bring character into every space.

And don't forget: you can experience Chehoma up close  
in our partners' showrooms in Las Vegas, Atlanta, Dallas, and Los Angeles.

Thank you for being part of the Chehoma family.  
We can't wait to see what catches your eye next!

With excitement,

The Chehoma Team

As a wholesaler of home decor and furniture for more than 35 years, Chehoma has been creating and offering timeless collections that bring numerous and diverse styles. Chehoma has been well known for home décor as an « art de vivre » between tradition and modernism. Shops from all over the world are seduced by our «atmospheres atelier », sharing the same love and sensitivity to authentic and unique furniture and products for your home. Our collection is distributed in more than 50 countries by thousands of professionals in the home decoration and furnishing industries. Our constantly evolving collection is a combination of styles; from industrial to vintage, charm and country-style, as well as antique furniture reproductions. We also aim to set trends and tastefully develop new products that will create unique atmospheres.
