Philippe Model, styliste de Mode, décorateur et scénographe est bien connu pour sa créativité et ses talents de coloriste :

« Il m'est paru évident d'offrir une collection complète qui soit aussi simple qu'harmonieuse pour que l'on s'y sente bien, en toute sérénité »

C'est bien cette sensation d'optimisme qui se dégage des meubles en bois de couleur caramel, de la vaisselle aux traits de pinceaux artistiques, des pieds de lampes en résine aux formes inattendues ou des scoubidous de métal rigolos.

Les déclinaisons de bleus, briques ou verts d'Émeraude coordonnent les différentes techniques artisanales en nous faisant voyager dans la lumière de nos souvenirs de vacances.

Philippe Model, fashion stylist, decorator and scenographer is well known for his creativity and his talent as a colorist:

«It seemed obvious to me to propose a complete collection, whose simplicity and harmony would make people feel good and serene.»

It is this feeling of optimism that emanates from the caramel-coloured wooden furniture, the ceramic with artistic brushstrokes, the unexpectedly shaped resin lamp bases or the funny metal scoubidous.

The variations of blues, bricks or emerald greens coordinate the different artisanal techniques, taking us on a journey in the light of our holiday memories.
