Dear Customers,

Our history in the States combined with a strong customer demand, inspired our comeback. So, we are, just like you, delighted to be back in the US market! We have selected more than 600 of our favorite products in the eclectic spirit that has defined us for more than 35 years. We hope that you will enjoy this collection. Our main objective is to offer you easy access to our products by simplifying the logistics and having our warehouse located in New Jersey.

We have teamed up with the best Rep groups in the country to help you discover or rediscover our collection and you are welcome to enjoy our unique products by visiting the showrooms in Las Vegas and Los Angeles. Atlanta and Dallas will follow soon. We'll keep you posted.

Because your satisfaction is our priority, we have established a customer service in the USA, located in Los Angeles, and they will be available for any requests/questions you might have.

See you soon
